8 EXAMINATION

9 BY MS. SAWYER:

10 Q. Good afternoon, Ms. Donaldson. How are you?

11 A. Good.

12 Q. I'll note for the record that you've removed your COVID
13 mask for purposes of testifying here today. Thank you
14 for that.

15 Ms. Donaldson, where do you currently live?

16 A. I live at 301 Bellevue Ave., Apartment 4, in Syracuse,
17 New York 13204.

18 Q. And are you employed?

19 A. Yes. I work at a 7-Eleven convenience store.

20 Q. And are you married, Ms. Donaldson?

21 A. Yes, I am married to my husband, Thomas Donaldson.

22 Q. And do you have children?

23 A. Yes, we have two sons and two daughters.

24 Q. And how old are you, Ms. Donaldson?

25 A. I am 27.

THE REPORTING GROUP
Mason & Lockhart

1 Q. And are you from the upstate New York area originally?

2 A. Yes.

3 Q. Do you know an individual by the name of Tyler Streeter?

4 A. Yes. That's my brother.

5 Q. And how old is your brother?

6 A. He is 26.

7 Q. And you said you are --

8 A. 27.

9 Q. He's one year younger than you?

10 A. Yes.

11 Q. And based on your interactions with him over the course
12 of your lives together, do you know whether he has an
13 interest in underage girls?

14 A. Yes, he does.

15 Q. And how do you know that?

16 A. He was put in prison in 2017 for molesting our niece
17 when she was 10 years old. And I have witnessed him
18 many, many times trying to get with younger girls.

19 Q. And as a result of that behavior, did you and your
20 brother become estranged?

21 A. Yes.

22 Q. And you weren't talking to him for some period of time?

23 A. Yes.

24 Q. Earlier this year did you reconnect with your brother?

25 A. In March of this year I did.

1 Q. And how did that come to pass?

2 A. My mother had swore up and down that he had changed, so
3 I figured I would try to give him a second chance.

4 Q. Okay. And, so, did you reach out to him, did he reach
5 out to you?

6 A. My mom had given him my number, so he texted me.

7 Q. And what happened after that?

8 A. We started talking on and off, and he seemed like he was
9 trying to maybe get his life together. And I had
10 invited him to my house to have a dinner and hang out,
11 so he had come over. And we do tattoos, so he had a
12 tattoo done on his back. We fixed it for him. And we
13 started talking a little bit more on and off about the
14 kids -- my kids, because I'm very iffy about people
15 being around them. And we contacted each other a little
16 bit more on and off. And he started coming around a
17 little bit more, popping in here and here, you know,
18 having dinner with us, hanging out and stuff.

19 Q. At some point did he introduce you to some of his
20 friends, more specifically a woman named Barb and her
21 daughter Ma [REDACTED]

22 A. Yes. Actually, he was coming over to get his son
23 Chase -- my nephew's name -- on his arm done; and he had
24 brought Barb with him for that one because she wanted to
25 get a tattoo done also. And she had brought her two

1 grandsons with her that time. And then Tyler came again
2 and Barb came to get hers finished; so she brought her
3 daughter, Ma [REDACTED] and her two nephews.

4 Q. How old is Barb's daughter, Ma [REDACTED]

5 A. She's 15.

6 Q. And did you observe Tyler interacting with Ma [REDACTED]

7 A. Yes. In my opinion, he was a little too close for
8 comfort with her.

9 Q. Did he do that when Barb was around or not around?

10 A. No, only when Barb wasn't around. The one time Tyler
11 had mentioned that he was going to go away for a while
12 so we asked him to go to Chuck E. Cheese with us; and he
13 brought Barb's daughter, Ma [REDACTED] with him. It was
14 supposed to be just us, Tyler, and my kids. And Tyler,
15 in my opinion, was stuck to Ma [REDACTED] too much. He
16 wasn't all, like, holding her hands and stuff; but he
17 would not leave her side and she wouldn't leave his side
18 at all.

19 Q. Okay. And when, approximately, was that?

20 A. This was after he had come out here originally because
21 he said he was going to move out this way.

22 Q. Got it.

23 So you're taking me to where I want to go. At
24 some point did he mention that he had a girlfriend in
25 Maine?

1 A. Yes. He had mentioned that he had met a girl out here
2 named Ma [REDACTED] and that he wanted to come meet her and
3 he had to have a car to come out here. So around May
4 25th, May -- no, March it was because we're in May
5 now -- March 25th or March 26th Barb had bought Tyler a
6 car. And he, the next day, came out here to meet with
7 Ma [REDACTED] from out here.

8 Q. So when you say "here," you're talking about Maine?

9 A. Maine, yes.

10 Q. Okay. All right. What did he tell you about Ma [REDACTED]
11 how did he meet her?

12 A. That she was 20 and she was staying with her grandma
13 helping her out because she needed help.

14 Q. Okay. Did he say how he met her?

15 A. That he had met her through TikTok on social media.

16 Q. Did he say how long he had been communicating with her?

17 A. He had been talking to her, he said, for about seven
18 months, they were dating for about two.

19 Q. Okay. And, so, you said in late March he got a car from
20 Barb and he told you he was coming to Maine; is that
21 right?

22 A. Yes.

23 Q. And tell us whatever you remember about that trip.

24 A. The first trip he came out here was around March 26th.
25 He had asked me for some money for gas; so being how I

1 am, I let him. And he came out here, and I didn't hear
2 a word from him for quite a while because it takes,
3 like, six hours to get here. And later in the afternoon
4 I still hadn't heard anything, so I contacted Barb
5 because Tyler and Barb had a thing on and off. And she
6 said she had heard from him, he was on his way back from
7 coming here to Maine to her house. So he had got back
8 to her house, and he had to sleep for a while. He was
9 supposed to come to my house and have an interview, but
10 he never made it to the interview at my job. And Barb
11 had said that Tyler was very touchy about the subject of
12 coming up here to see Ma [REDACTED] from out here in Maine.
13 So he came to my house and I had asked him, I said, hey,
14 how was your trip, you know, did you have a good time,
15 did you enjoy meeting Ma [REDACTED] And he really wouldn't
16 say anything about it.

17 Q. Okay. Did he -- you said he called her his girlfriend.
18 Did he say whether he had any interest in marrying her?

19 A. Yes, he had mentioned that they were going to get
20 married.

21 Q. Okay. Now, did there come a point in time when he made
22 another trip to Maine in April?

23 A. Yes. Actually, he had thrown a fit about it because
24 with DMV taking so long to get his car on the road, he
25 kept throwing a fit that he needed to hurry up the

1 process and he was going to come out here and possibly
2 move here or bring Ma [REDACTED] from here in Maine back to
3 New York. And finally his car was on the road, and he
4 had asked for some more money. I said, yeah, but this
5 is the last time I can help you, I have my kids to
6 support and stuff. So I had given him some money for
7 gas. He told me that Barb's daughter, Ma [REDACTED] from
8 Barb, was going to come out here to Maine with him to
9 get Ma [REDACTED] from here in Maine.

10 Q. Did he say why she was going with him?

11 A. No. But like I had said, they were a little too close
12 for comfort, in my opinion.

13 Q. Okay. So he told you that New York Ma [REDACTED] was going
14 to go with him to pick up Maine Ma [REDACTED] basically?

15 A. Yes.

16 Q. And did that trip happen?

17 A. Yeah. Actually, they had left about 6 in the morning to
18 come out here, so about a six-hour drive. And he
19 brought Barb's daughter, Ma [REDACTED] with him out here.
20 I hadn't heard anything for quite a while; and being
21 that Barb's daughter was with him, I contacted Barb
22 asking, hey, have you heard anything? I hadn't. And
23 she said, no, she hadn't in a while, that she would try
24 to contact her daughter. Because being a mother, I
25 would think you would want to know what's going on with

1 your kid. So Barb finally got through to her daughter,
2 and they said they were about 129 miles away from here
3 getting Ma [REDACTED] from Maine. So I called him and --

4 Q. When you said "here," you're in New York now, right? So
5 they were 129 miles from --

6 A. Maine, yes. To get Ma [REDACTED] from here in Maine.

7 Q. Oh, okay.

8 A. And I didn't hear anything for quite a while. I was
9 getting kind of worried. And finally Tyler called me
10 upset. And I said, hey, you know, what's wrong? Is
11 everybody okay? Have you been in an accident or not?
12 And he said that his back windshield had broke from
13 hitting a bump, that it had a crack in it. Being that I
14 know cars, I know windows don't break that easy. So I
15 said, okay, just pull over. You've got the two girls
16 with you. Make sure everybody is safe. Clean up the
17 glass and make sure that it's not hurting anybody. And
18 then a while went by. It was about 10:00 at night. I
19 called him again. I said, hey, I haven't heard
20 anything; any updates? He said they had stopped because
21 he was very low on gas. And I said, well, why didn't
22 you get gas sooner, you know with COVID everything
23 closes early and doesn't open up until the morning
24 again. He said that they were going to sleep in the car
25 that night and get gas in the morning and keep coming

1 back to New York. So I said, okay, you know, make sure
2 everybody is okay with the back window being broke and
3 that you guys are in a safe spot.

4 So the night went on. I didn't hear anything,
5 didn't hear anything. Later in the night I kept calling
6 and trying to check in, still didn't hear anything. So
7 I contacted Barb and I said, hey, have you heard
8 anything? She said, no, she hadn't yet. So I kept just
9 calling and calling hoping sooner or later he would
10 answer. It was about 6:00 the next morning he answered
11 and said, hey. I said, haven't heard anything, is
12 everything okay? He said, yes, I'm going to be dropping
13 off Barb's daughter, Ma [REDACTED] and then we'll on our
14 way to your house. So that was about --

15 Q. 6 a.m.?

16 A. 6 a.m., yes.

17 Q. And how far is Barb's house from your house?

18 A. It's only an hour if you speed, an hour and 15 if you do
19 the speed limit.

20 Q. Okay. So he called you at 6, said I'm dropping

21 Ma [REDACTED] off at Barb's house and we're on our way to
22 your place?

23 A. Yes.

24 Q. When did he show up?

25 A. He didn't show up until about noon. And I was kind of

1 wondering what took so long; but, you know, he didn't
2 really want to say anything to me.

3 Q. Okay. So describe for the grand jurors just your house.
4 Do you live in an apartment building, a house? Just
5 give them, kind of, a visual.

6 A. I actually live in an apartment building. There's only
7 six apartments in the building. And when you come up to
8 the building, you have to enter the front door, which is
9 always locked. You have to have a key to get in. And
10 then you walk up six stairs and my house is on the
11 right-hand side, the first door. You walk into my house
12 and there is a kitchen and the living room we call it.
13 It's just one tiny bedroom. And those are conjoined, so
14 it's a wide open space. You can see everything. And
15 then there's an L-shaped hallway that you go down and
16 there's my bedroom, and next to my bedroom is the
17 bathroom.

18 Q. Okay. So they arrive around noon, and did you go
19 outside to meet them?

20 A. Yes. I actually had to take my dog out to go to the
21 bathroom and I had to get some soda in my car to bring
22 up for everybody to drink.

23 Q. Okay. So describe for the members of the Grand Jury
24 what you saw when you first laid eyes on Ma [REDACTED]

25 A. Okay. Actually, they -- I had realized the back window

1 was broke and Ma [REDACTED] was literally in the fetal
2 position like this (Indicated) with the seatbelt still
3 on and a very thin blanket over her. And I had said to
4 Tyler, hey, are you guys going to come in or -- and she
5 literally just did not want to uncover herself. She
6 just stayed in that position. About 15 minutes went by.
7 I had to go inside because the dog didn't want to be
8 outside any longer. Tyler had hollered, hey, can you
9 throw down your keys? So I threw down my keys so they
10 could come in the house. When they entered my house,
11 Tyler had asked if he could take a shower. I said,
12 yeah, sure, why not, just clean up your mess. And
13 behind my door is a closet with two doors that just
14 opens up. Ma [REDACTED] was standing -- from here in
15 Maine -- was standing behind the door after Tyler had
16 shut it up against the closet literally just covering
17 her face, didn't want to, like, be seen. And I had
18 noticed that she had some hickeys on her neck. So I
19 said, yeah, you can go shower. And Tyler kept going,
20 hey, babe; come on, babe; babe, come on, let's go
21 shower. And I could tell that she didn't really want to
22 go shower, so I had said to Tyler, hey, she's okay, she
23 can stay out here with me, she can sit on the couch or
24 in the chair and she'll be okay. So Tyler took his
25 shower. Finally Ma [REDACTED] had decided to sit down on my

1 couch. And Tyler come out with his shorts on, and then
2 Ma [REDACTED] had took off her purple hoodie. She had a
3 tank top and some shorts. And I offered everybody if
4 they wanted drinks, you can help yourself, there's
5 snacks, there's whatever you want here. And --

6 Q. Was she talking at all during this time?

7 A. No, she -- I couldn't get her to talk at all no matter
8 what I did. I kept trying to, like, start conversations
9 with her; but she just did not want to uncover herself
10 at all.

11 Q. Okay.

12 A. And finally my husband had come up, and she acted really
13 nervous when my husband came in. And I'm like, it's
14 okay, it's just my husband, he's not going to bother you
15 or anything. And then I said, hey, we have to go to
16 Price Chopper, it's not far from here, if you guys want
17 to come with us, you can because we have to get
18 medicine. And Tyler insisted they take his car even
19 with the broken window when they could have just rode
20 with us.

21 So we got to Price Chopper. I went in and bought
22 some masks because Ma [REDACTED] and Tyler didn't have any
23 masks. So being in New York, you have to have a mask.
24 And I came back out and I asked Ma [REDACTED] if she wanted
25 to go in, and she just was really quiet. And Tyler's

1 phone started ringing and they both quickly were like,
2 shh, don't say anything, just go, go, shooing me away.
3 So I was like, okay, you know. Me and my husband go in,
4 got our medicine. We came back out and while we were in
5 there Tyler had called and said, hey, James wants us --
6 our older brother -- to come to his house and go in the
7 hot tub. And I said, ehh, Ma [REDACTED] don't want to. You
8 know, she's too new to bring around everybody. Just
9 give her some time, some space. So Tyler didn't seem
10 too happy about it, that I, kind of, told him not to.
11 And Ma [REDACTED] didn't seem like she wanted to, so we went
12 back to my house. And Ma [REDACTED] and Tyler had mentioned
13 that they were tired. I didn't know if they really
14 honestly slept the day before because being that it was
15 cold, he had a broken window and stuff, you know, I
16 didn't know if they had slept. I said, okay, yeah, give
17 me a minute and I'll go get you guys a blanket. And I
18 brought them out my son's Ninja Turtle blanket. It's a
19 twin size comforter for kids. And I said, you guys can
20 use this.

21 Q. And, so, what is your couch like? Is it a --

22 A. It's a futon that folds up into a couch and then you
23 fold it down and it's got a bed.

24 Q. Okay.

25 A. And I said, you guys can lay down. I'll start dinner.

1 Because I was going to make my homemade mac and cheese
2 and have a big dinner with them. So they laid down and
3 put, like, those couch fold up -- it's got, like, little
4 pillows on the end that fold up. And --

5 Q. What did you observe when you saw them lying on the
6 couch?

7 A. They were -- Tyler was all over Ma [REDACTED] like cuddly
8 and kissing on her. She didn't really seem like she
9 wanted it. She was still, kind of, hiding herself. And
10 at one point she finally turned and just was laying her
11 head on Tyler. So I was like, okay, you guys just go
12 ahead and rest, I'll wake you up when dinner is ready.

13 We were watching some knife-making show on Netflix
14 that my husband likes, and it was getting a little late.
15 I kept trying to, you know, talk to Ma [REDACTED] And at
16 one point she had said, hey, do you mind if I take my
17 medicine for my anxiety? I said, yeah, you're a grown
18 adult, you don't have to ask to take your medicine.
19 There's soda right there. You can help yourself, you
20 know.

21 Q. Let me pause you there. Tyler told you that she was 20?

22 A. Yes, which --

23 Q. When you saw her, did that seem right to you?

24 A. No. You could tell that she definitely was not 20. She
25 was definitely younger. And --

1 Q. Did you know she was 16?

2 A. No, which when I had found out really shocked me.

3 Q. Yeah. So let's, kind of, finish the night. So you're
4 watching the knife-making show on Netflix.

5 A. Yeah.

6 Q. And at some point you and your husband decide to head to
7 bed, right?

8 A. Yes. Actually, it was about 9:00. We decided, hey,
9 we're going to go to bed. You guys can sleep here
10 tonight. And it was 9:00 when we went to bed.

11 Q. And did they still have your son's blanket?

12 A. Yes, they had my son's Ninja Turtle blanket because I
13 didn't want to have to go and keep getting other
14 blankets so I let them use that being that it was big
15 enough.

16 And about 9:45 to 10'ish I had woke up because I
17 had to go to the restroom. I go to open my bathroom and
18 I notice my door is barricaded shut. So I'm like, hey,
19 let me in, I have to pee. And my brother is going, shh,
20 shh, be quiet, just be quiet. And I'm like, dude, this
21 is my house, I don't have to be quiet, I can do as I
22 please. He's like, no, seriously, be quiet, the cops
23 are here. And being half asleep I'm like, oh, yeah, the
24 cops are here. And he's like, no, I'm being serious,
25 she's 16. And I'm like, whoa. And at that point I

1 start waking up more and it hits me and I'm like, then
2 you need to get out, I can't have this here. So I
3 walked out into my living room and noticed Ma [REDACTED] was
4 gone and her stuff was gone. And Tyler, after I told
5 him he had to leave because we didn't need police
6 activity, quickly snatched up her purple hoodie that she
7 had left laying on the couch and my son's Ninja Turtle
8 blanket and left and went to Barb's house.

9 Q. Did he tell you why he was taking your son's blanket?

10 A. No. I have actually asked for it back very many times,
11 and I have been told that he was washing it and drying
12 it so that nobody could get evidence on him and if they
13 tried to come for my son's blanket he would burn it.

14 Q. I want to go back to the hickeys that you said you
15 observed on her neck when she came into the apartment.

16 A. Yes.

17 Q. So could you tell, based on the color or the shape,
18 whether they were relatively new or were they old?

19 A. They were definitely new. They were very bright. And
20 I've seen hickeys many times, I know how they are. They
21 start fading as they get older. These ones were not.
22 They were extremely bright.

23 Q. And while Ma [REDACTED] was in your house, did she eat or
24 drink anything?

25 A. No. I didn't -- I kept trying to get her to eat or

1 drink because I was worried that she hadn't eaten
2 anything or had anything to drink or gone to the
3 bathroom, that she would have to, and she never did.

4 Q. And after this incident when the police came and took
5 Ma [REDACTED] away, did you continue to have any interaction
6 with your brother or no?

7 A. No. I actually refuse to have anything to do with him
8 or even call him my brother.

9 Q. I think those are all the questions I have for you,
10 Ms. Donaldson; but what I'm going to do is ask you to
11 put your mask back on and step outside and then I'm
12 going to see if the grand jurors have any follow-up.

13 A. Okay.

14 Q. So just don't go anywhere, just stay outside.

15 A. All right.

16 (Whereupon the witness withdrew at 1:46 p.m.)

20 BY MS. SAWYER:

21 Q. Good afternoon. Let me just remind you that you're
22 still under oath, Ms. Donaldson.

23 A. Yes.

24 Q. Just a few follow-up questions for you.

25 So when the police came and got [REDACTED] that

1 night, did they ever question your brother or talk to
2 your brother?

3 A. Actually, no, they didn't. I didn't know exactly what
4 was happening, so I literally called every agency around
5 me to find out what was really going on. And I followed
6 up with the State Troopers because they had said, yes,
7 they were at my home but they could not enter due to my
8 legal rights and stuff. And I had said to them, if I
9 would have known you were there, you could have come in,
10 searched my house or whatever, I have nothing to hide.
11 And he said, yes, they had found Ma [REDACTED] in my home,
12 that she was a missing person and her parents would come
13 to Syracuse and get her.

14 Q. I think that covers it.

15 A. All right.

16 Q. Thank you very much.

17 A. You're welcome.
